Tradename

- Utilibox Style L

Benefits and Features

- Molded-in wall mounting brackets
- Fine textured surface makes the box resistant to marring and well suited for silks-screening or pad printing
- Close fitting and interlocking screw-on cover with black assembly screws
- Durable UL 94V-0 rated ABS material in popular black color (other colors on request)
- Suggested service temperature -20 to +70 degrees C (-4 to 158 degrees F)
- Horizontal PCB mounting bosses
- Easily modified with common machine shop tools

Accessories

- None at this time

Applications

- Switch Boxes
- Control Boxes
- Alarm Systems
- Any application requiring an inexpensive plastic wall/panel mounted enclosure

Competition and Competitive Advantages

- Utility type boxes manufactured by:
 - Hammond
 - Serpac
 - OKW
 - Bopla
 - Pac-Tec
- Lower Cost
- In stock, ready for shipment

Related Products

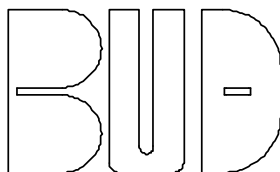

- Push Buttons
- Timers
- Switches
- Printed Circuit Boards

Key Customer Contacts

- Enclosure Specifier
- Mechanical Design Engineers
- Product Development Managers
- Electronic Engineers

Questions to Ask

- Who designs or specifies your enclosures?
- Is your product better suited for a small, non-conductive box that requires mounting to a wall or panel?
- Is your printed circuit board too crowded for mounting holes?
