PowerVerter Ultra-Compact Inverter 125W - Portable AC power for all applications

MODEL NUMBER: PV125

Description

PowerVerter General Purpose Inverters are the economical solution for mobile power needs. Harnessing the battery power of your automobile, RV or service truck, PowerVerter Inverters let you use power tools at an out-of-the-way work site, household appliances at your campsite, or office equipment on the road. Unlike gas generators, PowerVerter provide continuous, environmentally friendly power without generating dangerous fumes or loud noise. PowerVerter are safe for indoor use and require no maintenance.
